EXPERIENCE

Full Stack Developer/ Intern */ University of Miami*   June-2022
Miami, Florida
As a Certified Junior Web Developer from University of Miami learned from beginning how to fully create responsive applications using different libraries and frameworks.

 Accomplishments:
- *Gained knowledge Front end | Back end.*
- *Learned how to work in a team and be a good fit to specific role assigned.*

Web Designer/ Self Taught   October-2022
Miami, Florida

Creator of beautiful layout for websites using ***Figma*** in which a prototype is made to have an idea how the design is going to look when it's ready to lunch.

Accomplishments:

- *Learned **Visual Hierarchy** to make a better user experience and more well-rounded professional applications.*
- *The use of color and importance that has on the overall design of a web app*
- ***Typography** used and how its influences the design.*

Freelance/ Group-Collabs   October-2022
                                                                                          Miami, Florida

Worked with a team in a fast-paced learned environment where we are assigned to specific role and each of us must do the best to make the project successful

 Accomplishments:
- *Importance of **Git** and properly understanding its functionality*
- *Kanban board and it's used that makes the work easier for each assigned activity*

EDUCATION

Boot Camp Certificate| Full Stack Developer | *University of Miami*   June-2022
                                                                                          Miami, Florida
- A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and React.

Self-Taught | Web Designer   October-2022
                                                                                          Miami, Florida
- Having the opportunity to add an incredible skill to my arsenal where **Udemy Courses** contributes to the development of these abilities.
